

The above information shall be provided in a spreadsheet/form format with the information typed, not hand-written, and attached with each container, including a copy on the inside of each container.

Boxes applicable to different aircraft shall be separated into different boxes. No mixing C-130 with F-35, etc.

No metal can be packed into the boxes. Staples are acceptable, but no 3-ring binders, ACCO fasteners, etc.

---

If you have "Classified" records that need to be returned, contact your buyer or Supplier Quality Engineer to obtain additional instructions.
