11.2 Compliance with Laws

- 11.2.1. Seller must, in the performance of the Contract, comply with the laws from time to time in force in the State, Territory, or other jurisdictions in which any part of the Contract is to be carried out subject to an equitable adjustment to the Contract if required.
- 11.2.2. Seller must comply, and must ensure that its Subcontractors and Seller Personnel comply, with all applicable laws, Government Approvals, policies and all requirements of Government Agencies, including:
 - a. obtaining all Government Approvals without qualifications that would impact its ability to provide the Services or otherwise perform its obligations under the Contract;
 - b. complying with Occupational Health and Safety Legislation, environmental requirements and export requirements under the Customs Act 1981 (Cth); and
 - c. complying with the Archives Act 1983 (Cth) in respect of its activities under or in respect of the Contract.

- 11.2.3. Seller must not take any action, or omit to take any action (including any action or omission by a Subcontractor or Seller Personnel), which may constitute a breach of any law, policy, or Government Approval or may prejudice or result in the invalidity, cancellation, suspension, or limitation of

- m. Dumping and Predatory Pricing policy as detailed in the DPPM;
- n. Commonwealth — State Coordination and Cooperation policy as detailed in the DPPM;
- o. Environment in Procurement policies as detailed in the DPPM; and
- p. any other Commonwealth policy as notified by LM Aero to Seller from time to time.

11.4 Occupational Health and Safety

- 11.4.1. Seller must make reasonable efforts to perform its obligations under the Contract in Australia in such a way that:
 - a. Commonwealth and LM Aero officers and Commonwealth and LM Aero employees (as defined in the Occupational Health and Safety Act 1991 (Cth)) are able to participate in any necessary inspections of work in progress and tests and evaluations of the Services without the Commonwealth or LM Aero being in breach of; and
 - b. the Commonwealth and LM Aero is able to support and to make full use of the Services for the purposes for which they are intended without being in breach of;any occupational health and safety statutory requirements which apply to the Services.
- 11.4.2. Seller is required to implement and comply with an Occupational Health and Management System in accordance with Attachment A in relation to work performed in Australia.

11.5 Environmental Obligations

- 11.5.1. Seller must, at its own cost, comply with, and must ensure that its Subcontractors and Seller

that a state of Contamination occurs.

~~11.5.2. Seller must, in the manner so as to protect the Environment.~~

11.5.6. In addition to the requirements of this clause 11.5, Seller must obtain and comply with all requirements of, and must ensure that its Subcontractors and Seller Personnel obtain and comply with all requirements of, any Government Approvals required to release or emit anything from any Commonwealth land into the air or water or onto the ground or otherwise into the Environment, or to emit any e

the U.S. Export Regulations or the EU. Export Regulations, Seller must:

- a. not provide any such item, or component, to LM Aero without LM Aero's prior written consent, which may be granted, withheld or conditioned by LM Aero based on the absolute discretion of the Commonwealth;
 - b. prior to initiating any application process in the United States or the relevant Member State(s) of the European Union, as applicable, confer with the Commonwealth via LM Aero in order to accurately determine the end use of the Services and the Authorized Users;
 - c. ensure that any required approvals, licenses or authorizations granted under the U.S. Export Regulations or EU. Export Regulations, as applicable, are sufficiently comprehensive to allow full access and use of the item of the Services, or component of the item of the Services, by all of the Authorized Users;
 - d. ensure that the necessary export license(s), approvals or other appropriate documentation is issued by the relevant United States authorities or by the relevant Member State(s) of the European Union in time to allow the provision and use of such item or such component in compliance with the Delivery Schedule and the Phase-In Milestone Date: and
 - e. ensure that all delivery notices, invoices, airbills, waybills, bills of lading, and invoices properly identify the item or component and state the export license number or other documentation as required by the applicable U.S. Export Regulations or E.U. Export Regulations.
- 11.6.5. The Commonwealth's ability to use, operate, deliver or maintain the Services without restriction throughout the useful life of the Services is of the essence of the Contract. If the U.S. Export Regulations or EU Export Regulations, as applicable, would prohibit the Commonwealth from using, delivering or supporting each item of the Services or each component of each item of the Services without restriction, then Seller must, at its own cost and in compliance with the Delivery Schedule and Phase-In Milestone Date:
- a. obtain the necessary export license(s), approvals or other appropriate documentation in respect of each item of the Services or each component of each item of the Services that is necessary for the Commonwealth to use, deliver, and support the Services and for Authorized Users to use, operate, deliver, or maintain the Services without restriction throughout the useful life of the Services; or
 - b. subject to the advance written approval of LM Aero, which the Commonwealth via LM Aero may grant, withhold, or condition at its absolute discretion, replace or modify the item of the Services, or the component of the item of the Services, while satisfying all requirements of the Contract (including for the Services to comply fully with the requirements for the Services set out in Attachment A).
- 11.6.6 If Seller (or a Subcontractor) at any time during the Term or after the Term is not in compliance with clause 11.6, then Seller must provide written notice thereof to

LM Aero within five (5) Working Days after Seller becoming aware of that non compliance.
