H-001 COMSEC NOTICE (Dec 2012)

All communications with DoD organizations are subject to communications security (COMSEC) review. Lessee personnel will be aware that telecommunications networks are continually subject to intercept by unfriendly intelligence organizations. The DoD has authorized the military departments to conduct COMSEC monitoring and recording of telephone calls originating from, or terminating at, DoD organizations. Therefore, civilian Lessee personnel are advised that any time they place a call to, or receive a call from, an USAF organization, they are subject to COMSEC procedures. The Lessee will assume the responsibility for ensuring wide and frequent dissemination of the above information to all employees dealing with official DoD information. (AFP 56-50, Para 9-5a)
